### Notes:

If you wish to insure delivery by Recognition, orders must be received by February 21, 2015

- AFA Cadet Parents' Association group orders: If a Cadet Parents' Association wishes to place a group order for the Recognition Keepsake, please collect a wallet-size photo from the C4C parents in the organization and clearly pencil squadron number, class year and prop & wings style on the back of each cadet photo. In addition we suggest placing each picture, together with a typed note listing the same information, in a separate envelope. It is very important that the information is legible so we match each photo with the correct squadron pin and prop & wings during the assembly process.
- Group orders of 6 – 10 earn a 5% discount, 10 – 15, a 7.5% discount and 15 or more Recognition Keepsakes that are shipped to a single address earn a 10% discount due to our reduced shipping costs.

\*Gold prop and wings (shown above) may only be used by cadets who are direct descendants of members of the Army Air Corps or Women Air Force Service Pilots, or who have a parent with at least 20 years of military service, a parent who participated in combat as a member of any U.S. military service, or a parent who died in the line of duty. They have silver propellers and gold wings. Silver prop and wings have silver propellers and wings.
